

**PLAN NOTES:**

- Remove shade pergola
- Construct new vinyl screen porch with 3/12 shingled shed roof and sloped beaded ceiling
- Install 2 solar tubes, ceiling fan
- Use 2" round columns on outside wall
- extend deck width to the edge of the house on the left side
- Install new trex decking in the same diagonal pattern with the inclusion of a dbl border (existing framing is 12" o.c.)
- Wrap bands and risers with white PVC trim boards
- Replace porch light
- Replace trims on portico with pvc and vinyl
